WEDNESDAY MORNING, MAR 4 1863

The Alliance Rejected

Our readers are aware that in several States the Peace Democrats, as they sweetly call themselves, though better deserving the name of Northern traitors, elated by temporary success achieved through the absence of loyal voters in the army and the chilling influence of defeats and delays without victory, have been holding olive branch meetings for the purpose of creating a public sentiment in favor of a compromise with the rebels At one of these, in New York, James Brooks M C elect, spake very much like a traitor and the Richmond *Dispatch* thus gratefully acknowledges the sacrifice of national manhood and self respect

"Mr. Brooks appears to be in earnest in these extravagant propositions, strange as it may appear to any man who has his senses, for upon the occasion of presenting them, he made a long speech and expressed himself confident of their success Are the Northern people all natural born fools, or are they only stricken with that judicial madness which we are told the gods always inflict upon the victims of their wrath preparatory to their ruin?

Can they suppose that the South is as gallless and as lily-livered as themselves, and that they are willing, for mere considerations of interest, to forget the unheard of outrages under which they have suffered during this war? Can they believe them capable of so soon burying in oblivion all that they have done and all that they have suffered?

If the whole Yankee race should fall down in the dust to morrow and pray us to be their masters, we would spurn them even as slaves Our only wish is to be separated from them finally and forever—never to see the face of one of them again—never to hear the voice of another Yankee on the South side of the Potomac or the North—to have no traffic and no intercourse whatever with them We are fighting for separation, and we will have it, if it cost the life of every man in the Conservative States."

The Richmond *Enquirer*, referring to the same speech, is equally defiant and scornful It says

"The tide is beginning to turn at the North in favor of peace, but while its people begin to see the folly and impossibility of attempting to conquer the South, they are not yet ready to grant our just demands They hope still to chain us, by some specious compromise, to the corpse of the old Union or, at least, to gain some advantage in determining boundary and commercial relations It would be a fine thing for them, truly, to have the South agree to meet them in a convention, which should recognize the Union as unbroken and look to its perpetuation On this head however, they may as well know the truth. On no terms whatever will the South consent to a political association with them There is no concession which they can grant or which human imagination can frame, which could render the idea aught but intolerable and revolting to the Southern mind We separated from them because they sought to put on us a brand of social and political inferiority. We would not reunite with them if they would, one and all, consent to occupy the same position of degradation which they aim to rivet on us. We would not consent to hold the Northern States even as provinces On this subject there is hardly a ripple upon the surface of Southern sentiment This was the feeling and the purpose, fixed and unalterable of the South at a time when all was gloom and disaster—when Roanoke, Donelson and New Orleans had surrendered to the foe—and it seemed as if Providence had decreed to test to the uttermost the fortitude of our people But now, when Heaven has vouchsafed to us so many crowning victories, when the independence of the South is an accomplished fact, and liberty fairly won, the suggestion that the reward of all the sacrifices and sufferings of our people is to be basely discarded for a connection with Yankees is not endurable, even as a jest

* * * * * * *

It would be beneath the dignity of the Confederate Government to take any notice of the New York meeting until the sentiment of which it is an indication shall ripen into a sincere desire for peace and come clothed with the authority of the United States or some of the Northern States acting independently to make proposals on a basis of Southern independence as a fact accomplished All propositions which ignore either our established independence or the only channels of foreign intercourse appointed by the Confederate Constitution, can only meet with silent contempt"

Now, if this is not scornful repudiation of the olive branch, which the Peace Democracy is trying to tender we are at a loss to know what could be so regarded, and if these Northern traitors are not wholly dead so far as manliness and self respect are concerned, we might suppose that they would forever hide themselves in shame, when they see how their rebel brethren despise and reject them It is supreme folly, as well as rank treason, to waste time and words in talk about compromise, one of two things must come *There must be victory or there will be [illegible] and Southern independence* The Rebellion can never be put down except by force—overwhelming, deadly and tremendous—and Northern allies of secession must fight on one side or the other The Confederates are determined on this as well as the Government and the peace traitors may as well openly avow their purpose [illegible] first as last. To that line of conduct they are rapidly coming and when there they will no longer deceive loyal people by fighting for disunion and slavery under the name of Democracy

The Daily Oregonian.

CITY.

The MORNING OREGONIAN has a larger SUBSCRIPTION LIST than any other Daily published in this City.

Legal Tender Notes this Day—52 cents.

NO MISTAKE ABOUT THESE.—Our neighbors, Messrs. Wasserman & Co., received by the *Pacific* 40,000 segars, imported by them direct from Havana—the genuine article—on which the duties were paid at Astoria. This is the first importation ever made to this State, and marks the enterprise of this courteous establishment, where no customer ever fails to be suited. We trust this is only the beginning of an enlarged and prosperous business, done in the same way.

LEGAL TENDER NOTES.—Under the influence of the increased price of gold, government paper has gradually declined for the past week and we therefore alter our current price this morning—52 cents being now the average market price.

CIRCUIT COURT.—This Court yesterday was mostly occupied in the trial of chancery causes. Mr. David Freidenrich was admitted to practice law within the Fourth Judicial District.

Judge J. E. Wyche, of Vancouver, will deliver a lecture on Friday evening, next, at the Academy in this city. Subject—"Joan of Arc."

SANDWICH ISLANDS COMMISSIONER.—Mr. Simonton, the Washington correspondent of the *Bulletin*, writes under date of Jan. 27th that "James McBride, of Oregon, has been nominated by the President as Minister Resident at the Hawaiian Islands, in place of T. J. Dyer, removed." The eminent qualifications of Dr. McBride, his large commercial experience, diplomatic studies, and great political influence are fittingly recognized by this appointment, which will give unbounded satisfaction to an admiring circle of friends in Yamhill county. We may also add that he is the respected father of the gentleman who was elected to Congress last June, and that about twelve years ago he filled the office of Superintendent of Common Schools, under the Territorial organization, in which position he distinguished himself.

MURDER AT LAFAYETTE.—We learn from Mr. Holman, just from Yamhill, that Mr. Griffin shot and killed Mr. Shane, both residents of Lafayette. The cause of the sad difficulty is supposed to have been jealousy. Griffin was arrested and committed to jail to await his trial in April. Great excitement prevailed among the people. We have no further particulars.

We learn by private intelligence that the establishment of a military post at or near Fort Boise has at last been decided upon, and that the troops, or a part of them, now stationed at Fort Walla Walla, are under orders to march to that point and erect barracks for a permanent military station.

Memoranda.—Steamer *Pacific*, A. M. Burns commander, sailed from San Francisco February 27th at 4:30 P. M., for [illegible], arrived at Portland March 3d, at 11 o'clock, A. M.

Passengers.—Capt. Stump, wife and two children, N. Strong Testimony.—DR. HALL'S BALSAM, is the strongest certified medicine in the world for the cure of Coughs, Colds, Influenza, Bronchitis, and the primary stages of Consumption, giving immediate relief, and imparting a cheerful sensation of returning health and strength.

REDINGTON & CO.,
General Agents for the Pacific Coast,
416 and 418 Front street, San Francisco.

Storage.—THE FIRE-PROOF STONE WAREHOUSE, opposite Umatilla House, is the only building, "not made of wood," at the Dalles, where goods are taken on STORAGE. All other houses that take goods on storage are wooden buildings and in exposed parts of the town, liable to the risk of fire. The subscriber assures his patrons that his charges are but $1.50 per ton per month storage and although storage in wooden buildings is $1.00 per ton, yet the public cannot fail to perceive the advantages the subscriber possesses over other warehouses of this place.

Dalles, Jan 20, 1863.1m KASEY BIVEN.

Coughs.—The sudden changes of our climate are sources of PULMONARY, BRONCHIAL and ASTHMATIC AFFECTIONS. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "*Brown's Bronchial Troches*," or Lozenges, let the Cold, Cough, or Irritation of the Throat be ever so slight, as by this precaution a more serious attack may be effectually warded off. PUBLIC SPEAKERS and SINGERS will find them effectual for clearing and strengthening the voice. See advertisement. dec16dawim

White's Fever and Ague Drops.—For the cure of AGUE, PANAMA FEVER, NEURALGIA and GENERAL DEBILITY.

This medicine has been used in private practice for many years with great success. Indeed, in no instance has it failed to effect a speedy cure. In Ague especially, one bottle having been found sufficient in most cases and in none are more than two bottles required.

A great number of testimonials could be given to verify these statements, but the proprietor prefers relying upon the merits of the medicine alone. A cure is guaranteed in nine cases out of ten.

Prepared only by ROBERT WHITE, Chemist and Druggist, Main street, Placerville, and Broadway, Upper Placerville. For sale by all respectable Druggists throughout the State.

DR. BAKER'S

PAIN PANACEA.

Is composed entirely of healing gums, and vegetable oil and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases: If they are not satisfied with its healing properties, the money will be cheerfully returned by the agent where the medicine is for sale.

If you have pain in the stomach or bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will remove the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning, noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea, to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhoea, or a relaxed state of the bowels, take a dose of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve pain, and the swelling will be reduced.

If you have a severe tooth-ache, apply the Pain Panacea on a piece of cotton and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back or Kidneys, bathe the parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a caked breast, apply the Panacea as hot as it can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls upon your horse, apply the Pain Panacea; it will take out all the inflammation and heal the sore in a short time.
